ALUMA BRITE 1

CONCENTRATED WHEEL BRIGHTENER

SKU

30-00287

1 GALLON

ACID

Concentrated acid-based aluminum cleaner and wheel brightener. Removes oxidation, rust, salt corrosion, brake dust, and tough road grime. Dilute 1:5.

PERFORMANCE

ROLE	Concentrated acid-based wheel cleaner / aluminum brightener
REMOVES	Product page: oxidation, rust, salt corrosion · Catalog: baked-on brake dust, oxidation, iron deposits, tough road grime
SURFACES	Catalog: when properly diluted, most aluminum, chrome, magnesium, and nonferrous metal wheels
DO NOT USE ON	Glass · polished aluminum · anodized surfaces/wheels · hot surfaces (catalog) · uncoated wheels (catalog)
FORMULA	Strong mineral acids — cleans and brightens without excessive scrubbing (2024 catalog)

APPLICATION

DILUTION	1 part Aluma Brite 1 : 5 parts water
APPLY	From bottom to top for best results (product page)
PREP	Do not spray on glass, polished aluminum, or anodized surfaces
HOT SURFACES	Do not spray on hot surfaces (2024 catalog)

OVERVIEW

Aluma Brite 1 is a concentrated acid-based wheel cleaner that quickly brightens and restores shine to most aluminum surfaces. The 2024 catalog describes it as formulated to remove baked-on brake dust, oxidation, iron deposits, and other tough road grime with strong mineral acids, and notes that when properly diluted it is safe on most aluminum, chrome, magnesium, and nonferrous metal wheels. Keep off glass, polished aluminum, anodized, and hot surfaces.

DIRECTIONS

- 1 Dilute 1 part Aluma Brite 1 with 5 parts water for removal of oxidation, rust, and salt corrosion from aluminum and nonferrous metals (product page). Catalog also lists brake dust and stubborn road grime at 1:5.
- 2 Apply from bottom to top for best results.
- 3 Do not spray on glass, polished aluminum, or anodized surfaces (product page).
- 4 Do not spray on glass or hot surfaces; do not spray on polished aluminum, uncoated, or anodized wheels (2024 catalog).

SAFETY SNAPSHOT

SDS

Manufacturer SDS not published on Wesmar Car Candy SDS index or carcandy.com downloads (checked Aug 2026). Product is a concentrated acid-based cleaner — obtain SDS from Ultra-Look before use.

Safety snapshot omitted — no manufacturer SDS published for this SKU.
