OVERVIEW

Tropical Tread is a ready-to-use water-based protectant that gives tires a glossy shine with no sling. It conditions the rubber, helping keep tires flexible to prevent premature cracking and browning. Use on tires, trim, plastic, and rubber surfaces. Contains silicone — not body shop safe. Manufacturer SDS (Ultra-Look Corp., 10 Oct 2024 v1): clear light orange liquid with coconut-lime fragrance.

DIRECTIONS

- 1 Ready to use — no dilution required.
- 2 Make sure the tire is clean and dry before applying.
- 3 Apply with a sprayer or an applicator to clean, dry tires.
- 4 Wipe the product in with an applicator.
- 5 Contains silicone — not body shop safe.
