OVERVIEW

Eradicator is a ready-to-use enzyme blend specially formulated to eliminate most organic stains and odors from carpet and upholstery. Manufacturer: it even works on leather; removes embedded soils such as grass, blood, vomit, urine, pet stains, grease, wine, and more while eliminating odors at their source. Product page: pH-neutral, non-toxic, and biodegradable; also used to break down odors in drains, septic tanks, grease traps, dumpsters, and toilets. SDS: not a dangerous substance or mixture under OSHA/GHS; VOC 0%.

DIRECTIONS

- Before cleaning, vacuum the area to remove any loose dirt or debris.
- Spray Eradicator on the area to be cleaned. Saturate the stain and allow to dwell 2–3 minutes.
- Blot with a clean, dry cloth.
- For more difficult stains, scrub gently with a brush. Repeat as necessary.
- Before using on carpet or upholstery, test in an inconspicuous area for color or texture change. If there is any change, do not use.
