WARNINGS (PI)	Before using, check suitability and compatibility. Do not let dry
MDSC SIZES	1L (471001US)

OVERVIEW

The high foaming, pH neutral cleaning foam with a unique christmas fragrance can be used as a Snow Foam for pre-washing when applied using a foam gun or foam sprayer, and as a shampoo for manual car washing. Gentle Snow Foam X-mas develops an even, well moistened foam blanket that sticks to the entire surface, thereby allowing a long application time. Due to its pH neutral formula, it does not corrode waxed or sealed surfaces. The Gentle Snow Foam X-mas can be enriched with the Green Star to create an active foam in order to quickly remove stubborn dirt and insects. SDS signal word: Danger.

DIRECTIONS

- 1 Snow Foam:
- 2 Pour approx. 20 ml
- 3 Snow Foam into 1 l water and lather the vehicle using a foam sprayer. If necessary, clean with washing mitts or similar and rinse with water.
- 4 Handwash:
- 5 Pour 50 ml into 10 litres water, clean the vehicle with washing mitts and rinse with water. Also perfectly suitable for application using a foam gun.
- 6 Active foam: Pour 10-30 ml Green Star into the pre-mixed Snow Foam solution. PI warnings: Before using, check suitability and compatibility. Do not let dry

SAFETY SNAPSHOT

⚠ DANGER

Eye Dam. 1 · Skin Sens. 1 · H318-Causes serious eye damage. H317-May cause an allergic skin reaction. · H205-Contains epoxy constituents. May produce an allergic reaction. · EUH205-Contains epoxy constituents. May produce an allergic reaction.
