MDSC SKU	LFGRPCLRRV24
MFR SKU	LFGRPCLRRV24OZ (mfr)
SURFACES	Rubber, vinyl, plastic interior/exterior (mfr)
FINISH	Conditioned surfaces; avoid greasy over-application (use guidance)

OVERVIEW

Renegade Rubber, Vinyl, & Plastic Conditioner Renegade Rubber, Vinyl, and Plastic is meant to be used to clean and condition the rubber, vinyl, and plastic surfaces of your vehicle—inside and out. It will leave the surfaces pliable, conditioned, and free of any greasy residue. It can be used on your plastic trim, dashboard, center console, and door panels to keep them clean and ensure they don't lose their shine.

DIRECTIONS

- 1 Wipe loose dust from rubber, vinyl, or plastic.
- 2 Apply to a microfiber or foam applicator and spread evenly.
- 3 Wipe excess for an even, non-greasy sheen.
- 4 Keep off glass and pedals where slip is unsafe; spot-test textured vinyl dyes.

SAFETY SNAPSHOT

WARNING — EYE IRRITATION (SDS)

H320 Causes eye irritation (SDS)

PHYSICAL STATE	Liquid (SDS)
APPEARANCE	Milky (SDS)
DENSITY	0.984 G/CM3 (SDS)
FLASH POINT	113 °C estimate (SDS)
