OVERVIEW

Renegade's EZ Red Sprayable Metal Polish is designed to bring shine and luster back to your polished surfaces with a convenient spray formula that you can use on-the-go. Use Renegade EZ Red when you pull up to a meet, cruise, or a show-and-shine. The fine abrasives give you a show-quality finish by removing light haze, imperfections, and water spots. It's perfect for polishing diamond plate as well, because the easy-

DIRECTIONS

- 1 Shake well; spray lightly onto clean metal or onto a microfiber/applicator per mfr guidance.
- 2 Work the polish until the surface brightens; do not let dry to a hard crust.
- 3 Wipe residue completely with a clean terry cloth, then finish with a clean microfiber.
- 4 Repeat on heavily oxidized areas as needed; protect adjacent paint from slurry.
