PURE MARINE 32OZ ODOR ELIMINATING SPRAY

READY-TO-USE OXIDIZING ODOR ELIMINATOR SPRAY · RTU 32 OZ (MFR PRODUCT PAGE / FAQ)

SKU

PM32

Ready-to-use oxidizing liquid formulated for boaters and fishermen that attacks fish, mold, mildew, and musty/damp odors at the source on gear, clothes, compartments, empty live wells, and non-porous boat surfaces — spray and air dry, no rinse (pure-marine.net product page, FAQ, about, home).

PERFORMANCE

ROLE	Odor eliminator spray — destroys odor-causing microbes/molecules via oxidation (mfr product page / about)
CHEMISTRY TYPE	Oxidizing liquid; same parent-company chemistry lineage cited for pathogen work in healthcare / oil & gas / water treatment / food & beverage (mfr FAQ)
ODORS TARGETED	Fish, mold, mildew, dampness, and other stale musty odors (mfr FAQ / home)
MASKING VS ELIMINATE	Eliminates at the source; will not fade over time like a masking scent (mfr about / home)
PH (MFR FAQ)	Neutral pH (mfr FAQ) — numeric value not published
VOC (MFR FAQ)	No Volatile Organic Compounds / VOCs (mfr FAQ)
HARSH CHEMICALS / FUMES	No harsh chemicals and no noxious fumes (mfr FAQ)
SURFACES (MFR)	Clothes and non-porous hard surfaces; life vests, boat surfaces, fishing gear; gear, compartments, empty live wells (mfr product page / FAQ / home)

APPLICATION & PHYSICAL

FORM	Ready-to-use spray (mfr product page) — no dilution published
METHOD	Spray where needed and let air dry (mfr FAQ / home)
RINSE	No rinse with water afterward (mfr home)
LIVE WELLS	Treat empty live wells (mfr FAQ)
CORROSION NOTE (MFR)	Can be used on life vests, boat surfaces, and fishing gear without fear of corrosion (mfr home)
PACK SIZE (CATALOG)	32 oz (MDSC PM32)

OVERVIEW

Ready-to-use oxidizing liquid formulated for boaters and fishermen that attacks fish, mold, mildew, and musty/damp odors at the source on gear, clothes, compartments, empty live wells, and non-porous boat surfaces — spray and air dry, no rinse (pure-marine.net product page, FAQ, about, home).

DIRECTIONS

- 1 Shake/open the RTU spray bottle as needed (packaging use as supplied — 32 oz catalog size).
- 2 Spray Pure Marine Odor Eliminator where odors are present on clothes, non-porous hard surfaces, gear, compartments, or empty live wells (mfr product page / FAQ / home).
- 3 Let PURE Marine air dry — no rinse with water afterward (mfr FAQ / home).
- 4 Use on empty live wells only when treating the well; mfr FAQ states treat empty live wells without fear of harming catch on the next outing.
- 5 Do not invent dwell times or dilution — manufacturer publishes spray-and-air-dry only. See SDS when available for PPE and first aid.

SAFETY SNAPSHOT

MANUFACTURER SDS NOT PUBLISHED ON PURE-MARINE.NET (CHECKED 2026-09-23). FAQ DESCRIBES CHEMISTRY AS GENTLE WITH NEUTRAL PH, NO VOCs, NO HARSH CHEMICALS, AND NO NOXIOUS FUMES — FOLLOW LABEL AND REQUEST SDS FROM PURE MARINE FOR FULL GHS/PPE.

Official GHS classification / HMIS / DOT not retrieved — no SDS PDF on manufacturer site. Contact Pure Marine (pure-marine.net/pages/contact-us) for SDS.

PHYSICAL FORM	Oxidizing liquid / RTU spray (mfr FAQ / product page)
PH	Neutral (mfr FAQ) — numeric range not published
VOC	None / no VOCs (mfr FAQ)
PACK	32 oz spray (MDSC catalog)
