PUMLVR32

PELV32

PUMULT32

Multi-chem seasonal kit. Includes Pumpkin Spice Level R, Pumpkin Spice Elevate, and Pumpkin Spice Ultra Clean SiO₂ Soap. Each component uses the same chemical specs as its parent Starke formula — see component TDS sheets for full performance, directions, and SDS data.

KIT CONTENTS

PUMLVR32	Pumpkin Spice Level R — Heavy cut compound. See component TDS / LVR16 parent SDS SYC-014.
PELV32	Pumpkin Spice Elevate — Medium cut compound. See component TDS / ELV16 parent SDS SYC-009.
PUMULT32	Pumpkin Spice Ultra Clean — SiO ₂ wash soap. See component TDS / ULTC16 parent SDS SYC-018.

SYSTEM USE

STEP 1	Level R — heavy cut / oxidation correction (rotary)
STEP 2	Elevate — medium cut refine (1200–1500 grit marks)
WASH	Ultra Clean — pH-neutral SiO ₂ soap for ceramic-safe wash
FRAGRANCE	Limited-edition Pumpkin Spice on all three chemicals
SPECS	Do not invent kit-level pH/VOC — use each component parent SDS/TDS

OVERVIEW

The Pumpkin Spice Bundle Pack is a limited-edition three-product restoration and wash kit from Starke Yacht Care: Pumpkin Spice Level R (heavy cut), Pumpkin Spice Elevate (medium cut refine), and Pumpkin Spice Ultra Clean SiO₂ Soap. Fragrance is seasonal; chemical performance matches each parent product. Full physical / SDS data live on the individual component technical data sheets (and parent SDS where published on starkeyachtcare.com).

DIRECTIONS

1. Correct heavy oxidation with Pumpkin Spice Level R (rotary) per Level R TDS.
2. Refine 1200–1500 grit marks with Pumpkin Spice Elevate per Elevate TDS.
3. Wash and maintain with Pumpkin Spice Ultra Clean per Ultra Clean TDS / dilution.
4. For sealant or ceramic after correction, use the appropriate Starke coating system (not included in this kit).
5. Consult each component SDS before use — kit sheet does not replace component safety data.
