STARKE REPLENISH SiO2 SILICA MAINTENANCE SPRAY

SKU

REP16

16 OZ

SiO2 BOOSTER

REP128

128 OZ

Carbon-infused SiO2 maintenance spray. Cross-links into existing Starke SiO2 coatings and sealants — spray-on/wipe-off or spray-on/hose-off.

PERFORMANCE

ROLE	SiO2 coating reinforcement — not a standalone ceramic
CHEMISTRY	Carbon-infused SiO2; chemically cross-links into the coating beneath
COMPATIBLE	Repel Pro, Liquid Thor, Hyper Hold Pro, Hydro Guard, Revolution
FINISH	Slickness, gloss, anti-static layer restored
LIFE EXTEND	Product page: coating reaches 12–18 mo vs burning out at ~6

APPLICATION

WIPE-OFF	Spray on, wipe with a clean microfiber — show-finish gloss
HOSE-OFF	Spray on, hose off — fast no-contact application
CADENCE	Monthly in active saltwater · quarterly in moderate/freshwater
GUIDES	Every 3rd wash (Thor / ceramic guide) · every 2–3 months (maintenance blog)
SIZES	16 oz · 128 oz (Clean System Maintenance Bucket)

OVERVIEW

Replenish is the maintenance partner for every SiO2 coating and sealant in the Starke lineup. The carbon-infused formula does not sit on top — it cross-links into the existing chemistry, clearing salt, minerals, and fallout that bury hydrophobicity and bonding a fresh reinforcing layer. Two methods: spray-on/wipe-off for a deep gloss, or spray-on/hose-off when time is the priority. Product-page cadence is monthly in saltwater and quarterly in freshwater.

DIRECTIONS

- 1 Start on a clean, cool surface after a pH-neutral wash (Pure Clean or Ultra Clean).
- 2 Spray-on / wipe-off: mist Replenish, level with a clean microfiber for a slick, glossy finish.
- 3 Spray-on / hose-off: mist, then rinse — no-contact option when speed matters.
- 4 Saltwater boats: monthly. Moderate or freshwater: quarterly. Coating guides also call for every 3rd wash.
- 5 Compatible with Repel Pro, Liquid Thor, Hyper Hold Pro, Hydro Guard, and Revolution. Do not substitute graphene maintenance (Reboot) on SiO2 coatings.

SAFETY SNAPSHOT

CAUTION

SDS not published — treat as chemical product; follow label PPE.

APPEARANCE	Silica maintenance spray
CHEMISTRY	Carbon-infused SiO2
SDS	Not published on Starke product page
