STARKE SHIELD

FABRIC STAIN REPELLANT

SKU

SHLD16

16 OZ

SPRAY & DRY

SHLD128

128 OZ

Spray-on invisible barrier for marine fabrics, vinyl, and foam flooring. Makes surfaces water- and stain-resistant. Safe on SeaDek, DEKit, Marine Mat, Aqua Traction, Gator Grip, and similar EVA foam.

PERFORMANCE

ROLE	Fabric / vinyl / foam-floor sealant — invisible water & stain barrier
SURFACES	Fabrics, vinyl, foam flooring (SeaDek, DEKit, Marine Mat, Aqua Traction, Gator Grip, and others)
FINISH	Clear, invisible protective barrier
COATS	2 applications for best results · 15 min per coat
RECOAT	After heavy use or professional cleaning

APPLICATION

PREP	Clean and thoroughly dry the surface before spraying
APPLY	Spray evenly from 6–8 inches
DWELL	Let dry completely between coats · 15 min per coat
SECOND COAT	Apply second coat after first has dried (~15 min)
USE WHEN DRY	Allow to dry fully before putting fabric / foam into service

OVERVIEW

Starke Shield is a spray-on sealant for marine fabrics, vinyl, and foam flooring. It forms a protective, invisible barrier that makes surfaces water- and stain-resistant. Safe on new and used fabrics and on EVA foam decking systems. Two coats, 15 minutes apart, give the best results once the surface is clean and thoroughly dry.

DIRECTIONS

- 1 Clean the fabric, vinyl, or foam flooring and let it dry completely.
- 2 Spray Shield evenly from 6–8 inches so the surface is lightly coated — not soaked.
- 3 Allow the first coat to dry about 15 minutes.
- 4 Apply a second coat for best water- and stain resistance.
- 5 Let dry fully before use. Recoat after heavy use or professional cleaning.

SAFETY SNAPSHOT

CAUTION

SDS not published — treat as chemical product; follow label PPE.

APPEARANCE	Spray liquid (label / bottle)
ROLE	Fabric stain repellent sealant
SURFACES	Fabrics, vinyl, foam flooring
