METHOD	Shake well · fine mist on clean area · wipe with microfiber · buff with clean microfiber; section by section (mfr tech sheet)
PREP	Wash & rinse surface if necessary before application (mfr tech sheet)
PACK SIZES (CATALOG)	See catalog

OVERVIEW

Ceramic Spray & Shine for extremely hydrophobic, water-resistant/repellent surfaces. Helps prevent weathering damage; UV resistant; streak-free high-gloss protection for boats, automobiles, RVs, and campers (manufacturer tech sheet).

DIRECTIONS

- 1** SHAKE WELL BEFORE USE. If necessary wash & rinse surface. Apply a fine mist to clean area. Wipe in using a clean microfiber towel. Buff with a new clean microfiber towel.
- 2** Coat one area or section at a time, move to the next and repeat process for streak free high gloss protected surface.
