OVERVIEW

Deck cleaner with Clean Grip Technology for non-skid and flat deck surfaces. Removes grime, stains, fish blood, oil, grease, black streaks, and soot. Manufacturer states safe for direct release into waterways when wash-water collection is impractical (manufacturer product page / tech sheet).

DIRECTIONS

- 1 Before using, wet surface with fresh water. Liberally apply to area to be cleaned and spread evenly with a deck brush. Allow to work for 2-3 minutes. Scrub the treated area thoroughly before rinsing with fresh water.
- 2 If deck is heavily soiled or has stubborn stains, a second application and additional scrubbing may be required
