BOOYAH HD BILGE CLEANER

HEAVY-DUTY BILGE CLEANER / DEGREASER

SKU

VL992XQ6

32 OZ.

128 OZ.

VL992X4

Heavy-duty bilge cleaner designed to clean hydrocarbons, grime, dirt, stains, and foul odors from bilges. Use monthly or as needed (manufacturer tech sheet).

PERFORMANCE

ROLE	Heavy-duty bilge cleaner (mfr tech sheet)
REMOVES	Hydrocarbons, grime, dirt, stains, foul odors (mfr tech sheet)
DOSE (MFR)	1 quart (32 oz) per 25 ft of boat into bilge; proportional for smaller boats (mfr tech sheet)
FREQUENCY	Once per month or as needed (mfr tech sheet)

APPLICATION & PHYSICAL

USE ON (MFR)	Bilges, engine rooms, boat decks, hulls (mfr tech sheet)
METHOD	Absorb free fuel/oil first · pour into bilge · add water if dry · run boat ≥1 hour · pump out at authorized station (mfr tech sheet)
PACK SIZES (CATALOG)	32 oz., 128 oz.

OVERVIEW

Heavy-duty bilge cleaner designed to clean hydrocarbons, grime, dirt, stains, and foul odors from bilges. Use monthly or as needed (manufacturer tech sheet).

DIRECTIONS

- 1 If bilge contains fuel or oil, use absorbent material to soak up as much as possible before using. Properly dispose the absorbent material according to your area's regulations.
- 2 Pour one quart (32 oz) per 25' of boat into bilge to clean the hydrocarbons, grime, dirt, stains, and foul odors. If boat is smaller than 25', use proportional amount per foot of boat. For dry bilges, add fresh water.
- 3 Run boat with cleaner for at least one hour, the boat's motion will allow the product to break down dirt, forming a uniform emulsion that can be easily disposed of by draining or pumping out bilge at an authorized pump-out station.
- 4 Use once per month or as often as needed to keep your bilge clean, and odor-free.

SAFETY SNAPSHOT

IF BILGE CONTAINS FUEL/OIL, ABSORB FIRST AND DISPOSE PER LOCAL REGS (MFR). FOLLOW LABEL.
