## OVERVIEW

Manufacturer launch materials describe a unique Caulking Stain Remover gel designed to remove mold and mildew stains from caulking / caulk lines. No dedicated manufacturer product page or SDS was published on the SDS hub at research time — sheet limited to manufacturer-stated role; application numbers omitted.

## DIRECTIONS

- Follow the product label. Detailed dwell times and multi-step protocol were not published on a manufacturer product page at research time.
- Manufacturer mold-system protocol generally pairs stain removal with Waterless Wash neutralization and Mold & Mildew Preventer afterward (protocol quick guide for related stain remover — verify label for this gel).

## SAFETY SNAPSHOT

Manufacturer SDS not listed on xanigomarine.com SDS page at research time. Follow product label.

Manufacturer SDS URL not retrieved for this article.
